Do you know how to light a fire, climb a tree, build a raft or den and find your way through the forest? No, then you should think about joining your local Scout group where you can learn about the wild and experience real adventures.

Why not come along to make new friends and join the fantastic Scouting movement as endorsed by Bear Grylls.

There is something for boys and girls of all ages: Beavers 6-8 years, Cubs 8-10½ years, Scouts 10½-14 years and Explorers 14-18 years old.

For anyone not a member of Hayling Scouts and their families

Have you ever wondered what the 200 boys and girls from Hayling do at Scouts each week? During any one year, they will take part in over 200 different activities, gain badges for achievement, develop their teamwork and leadership skills, but most importantly have fun.

To make all this happen, there are 50 adults who have a full CRB/DBS clearance and are trained in First Response and Safeguarding.

If you are aged 6 to 16, you are invited to join our "Day of Adventure" on 1st July between 13:00 and 16:00. The cost is just £3,

but you will need to be accompanied by an Adult.
