

Our Service Crew

Who Are We?

The Leaders are responsible for the provision of Scouting for the youth membership of the Group. The Service Crew is a large (and growing) team of people who on occasions are willing to give some of their time in support of the Hayling Scout Group.

What do we do?

Throughout the year there are a number of work items identified for which the Leaders and / or Group Development Team (GDT) would appreciate help. These can range from cutting the grass, clearing gutters, decorating, odd jobs, pitching tents, helping load / unload equipment from camps, providing the cook team or running a base at a camp or activity - in fact the range is endless and driven more by the need of the leaders than anything else.

What is the Commitment?

As much or as little as you are able to give. As a member of the crew you will receive details of every request and all we ask is that you reply to our Crew Manager as to whether you can help (all or part of the time) or whether you are not available. We do not track how often people can help out!. Our objective is to spread the workload and make life easier for everyone involved with the Group.

What Skills / Experience do I need?

No experience necessary. Enthusiasm and an interest in helping our Group thrive and young people achieve are all that is required. We know that you will view some work items as within your ability and perhaps others beyond you - this is why we are looking for an ever growing team.

How do I Join?

It's easy. Either visit the "Scouting for Adults" pages on our website at www.haylingscouts.org.uk/adults/ and follow the instructions OR call Group Scout Leader Ian Hawke on 92462786. Either way we will ensure that Geoff our Crew Manager adds you to the list.
