

Hayling Woggle - September 2025

Autumn 2025

Welcome to another edition of the Hayling Woggle with a snippet of what we have been upto over the last term and the some of our summer camps.

Eagles Camp - Scouts

This year saw Eagle Troop return to Broadstone Warren for our summer camp. This is by far our favourite campsite, with everything you would want for some classic scouting. The week saw two patrols battling it out in the camping competition, cooking over open fires and exploring the forest. We ventured out for laser quest, pot holing and swimming. A highlight was the scouts building and sleeping in bivis. The forest was perfect for wide games - jail break, the light game and the hunted. The camp was so good that we have booked Broadstone again for next year!

Lions Camp -Scouts

In August scouts from Hayling joined in with other scouts from around Hampshire on a county camp at Lyons Copse in Shedfield.

The scouts all enjoyed making new friends & taking part in many different activities such as Kayaking, Canoeing this was done on the River Itchen in Southampton. They also enjoyed Archery, Target shooting with Air rifles.

There were 75 scouts supported by over 40 leaders who all gave up their time & many taking a week off from work to ensure the Scouts could attend & enjoy a week's summer camp. Did you know? that Scout leaders & helpers receive no form of payment whatsoever.

Treasure hunt using what3words, they also learned about what3words and how it can be used to locate someone in a emergency. They also had to cook all their own meals & washup afterwards, they also enjoyed a visit to Romsey Rapids swimming pool.

Saturn Camp - Cubs

Saturn Pack had a fun filled camp at Ferny Croft activity center in The New Forest.

They took part in a host of fun and exciting activities which included Climbing - Go-Karts - 100ft Zip Line - Wide Games - Gladiator Challenges.

They even made their own rafts which they used in the lake some more successful than others !

We took part in traditional scouting skills and team work games and each evening was concluded by sharing stories and songs around the camp fire.

We are looking forward to returning again next year for more adventures.

Brownsea Island - Group Trip

100 members of 3rd Hayling Scouts, including the youngest Squirrels section, enjoyed a special trip to Brownsea Island — the birthplace of Scouting's and its very first experimental camp.

We had a day of fun and adventure. Took part in all sorts of nature activities, treasure hunts and even spotted a few red squirrels. It was a brilliant day and enjoyed by everyone that attended.

We need your help

As a growing group we are always looking for further support for our 200 members.

We have leadership roles available in addition to the Leader roles there are many other jobs that need to be done to support our Scout Group.

We are also looking for members to also join our trustee board.

Many of these require only a few hours a year but represent invaluable support to our Leaders.

Please email gsl@haylingscouts.org.uk or call 07917440831 for more information.
